What Tech Should I Use

Anything recommended here:
https://www.privacytools.io/

Or, contact me, your resident tech sherpa, or the Library Freedom Project for advice

What Books Could I Read

Oryx and Crake by Margaret Atwood

Habeas Data by Cyrus Farivar

Algorithms of Oppression by Safiya Noble

The Attention Merchants by Tim Wu

Age of Surveillance Capitalism by Shoshana Zuboff

What Album Could You Listen To

Boneset by Diane Cluck (nothing to do with privacy, I just like it)
